Dear Affiliate Member,

Thank you for your continued support of the MGCSA. This year, your Minnesota Chapter of the GCSAA continues to experience big changes and thus offers even more sponsorship opportunities.

The Arrangements Committee, led by Mike Manthey and Matt Rostal, and your Board of Directors, are excited about the social and educational opportunities offered to the membership in 2017. The MGCSA will host several big events including the Beer and Pretzel Social, Shop Tours, The National, Assistant's Environmental Spring Event, The Scramble, The Championship, the Wee One and an Equipment Managers program.

You also are aware of the additional opportunities available for the Exposure Golf and Outreach Education programs held in out-state Minnesota. Ten times each year, the MGCSA pursues destinations away from the metropolitan area in an effort to be inclusive of our distant members. Thus far the programming has been a big success with additional and alternative promotional opportunities for those with clientele in regions beyond the Metro. The events, and your support, will be offered to you on a regular basis with recognition in the *Hole Notes* magazine as well as promotions in the Monday Mark Your Calendar.

At each of these events, based upon the options you select, your company will be acknowledged with signage, prize sponsorship and recognition voiced loud and clear. You can expect redundancy in the presentations as participating Affiliates are promoted multiple times. Some would say "over the top", but your support is critical to the advancement of the MGCSA goals and thus endorsement of your business is equally as important to the membership and Board of Directors.

The MGCSA Board of Directors greatly appreciates your continued sponsorship of the Association. Again, thank you very much.

Respectfully Yours,

Erin McManus  
President
