

Wayzata Country Club

ASSISTANT SUPERINTENDENT

Wayzata Country Club is now accepting applications for the position of Assistant Superintendent. Wayzata Country Club is a premier, family oriented, private membership club located on the west side of the Twin Cities. Wayzata provides our Members & Guests with championship golf, a large practice facility and short course, excellent dining and a variety of recreational year-round activities including, swimming, tennis, trap & skeet, ice skating, and paddle ball. Wayzata Country Club opened for play in 1956 as a Robert Bruce Harris design that was last updated in 2008 by golf course architect John Fought, bringing new tees, bunkers, a short course

and practice facility to the property. . Jackson Kahn Design was brought on in 2022 to develop a new master plan looking toward future course improvements. A new maintenance facility was completed in the spring of 2020 and consists of an 8000 sq ft cold storage building and a separate 9000 sq ft building comprised of employee areas, office space, equipment repair and chemical storage/mix room.

Qualifications:

Applicants should have completed either 2 or 4 year turf education with a minimum of 3 years of practical golf course experience with 2 of these years being in some sort of supervisory capacity. Assist with the leading of a large seasonal staff along with providing guidance for AITs as well as interns is essential. Individuals should be organized, highly self motivated and team oriented. Experience in irrigation repair, maintenance and scheduling along with all types of pesticide applications is expected. Strong communication skills, both written and verbal, will be a huge asset. Play and understand the game of golf.

Typical Functions and Responsibilities:
