

Wayzata Country Club

ASSISTANT IN TRAINING

Wayzata Country Club is currently accepting applications for the position of Assistant in Training, available immediately. Wayzata Country Club is an 18-hole private membership Country Club located in the west metro. Wayzata is a club that provides our Members & Guests with championship golf, excellent dining and a variety of recreational year-round activities including, Trap & Skeet shooting, Skating Rinks, Cross Country Ski/Snowshoe trails and Paddle Ball. Our success has been built on privacy, camaraderie and a commitment to providing the best possible facilities and service for our Members. Founded in 1956, the original Robert Bruce Harris design was updated in 2008 under the direction of golf course

architect John Fought adding a short course and large practice area. Jackson Kahn Design was brought on in 2022 to develop a new master plan looking toward future course improvements. A new maintenance facility was completed in the spring of 2020 and consists of an 8000 sq ft cold storage building and a separate 9000 sq ft building comprised of employee areas, office space, equipment repair and chemical storage/mix room.
